

THURSDAY 8 OCTOBER 2026 · LONDON EC2M

When innovation meets scrutiny

The 2026 UK Pharma Investigations Forum — one afternoon with the people who run investigations in life sciences.

Regulators are moving fast — and so is the technology investigators use. This forum brings in-house investigators, compliance leads and counsel together on UK and EU regulatory pressure, healthcare data enforcement, and putting AI to work in an investigations function.

ON THE AGENDA

- 2.00pm Welcome addresses
- 2.15pm Opening keynote: **Alicia White**, Director, PMPCA
- 2.45pm Panel: regulatory updates & the EU AI Act
- 4.00pm Using AI to assist investigations
- 4.45pm Delegate session: challenges, KPIs & KRIs
- 5.30pm Networking drinks
